Dear Sponsors and Supporters,

July 2024

My name is Denaë Snow, and my family has the honor of sponsoring a student (21148 Miracle Semu), in the Sakila Sponsorship Program. I wanted to share how God uses everything to the benefit of His children. Our family was evicted from our home in Western Washington, in 2022, leaving us homeless with 6 kids. The Lord graciously provided nine months in a vacation rental, on the Oregon Coast. We were able to continue our sponsorship to Miracle, despite our family's hardships. Then, we uprooted our family at God's calling, to Central Montana in the spring of 2023. We knew no one, and we truly live in the middle of nowhere, with our now, seven children.

During one particular stretch of loneliness so far from family and friends, my husband told me about the only Christian radio station that we can receive in our area. It is **"Your Network of Praise."** While listening, we heard that Bishop Eliudi Issangya (International Evangelism Outreach) would be on the air, later that day. I was stunned to hear a familiar name on a radio station, serving such a remote part of Montana! Being a busy homeschool mom, I missed the on-air interview, but I did some research on the radio station out of curiosity. When I learned that this radio station had been the hands and feet that connected with Bishop Eliudi, and began the ministry of a Christian radio station broadcasting in Tanzania, the Holy Spirit whispered His truth to me! The Family of God is so much closer than we really think. We are never alone, no matter how "remotely" any of us may live. This was a God connection for my family, as the Lord reminded us that His family is in every corner of the earth. What a blessing to have this link with our family of Believers in Tanzania as we navigate a difficult season of life!

Your Network of Praise has 70 stations, and in soon-to-be 7 states. The manager for this station was introduced to Eliudi Issangya, about 6 years ago. About a year later, New Life Radio (Pictures to above and right) went on the air in a town called Boma Ng'ombe, about an hour and a half east of Arusha, Tanzania. It is a part of the ministry that is connected to the Sakila Sponsorship Program. **Your Network of**

Praise started New Life Africa Satellite Radio Network, and it covers about 3 million people in the northern part of Tanzania. This can be heard online radio globally too. Shortly after, Vie Nouvelle Africa Satellite Network went on the air in English, French, and Fulani. This covers all of western Africa. These two networks in Africa are supported by the people who listen to **YNOP**, in Montana. ~Linda Darelus~

What an amazing praise to have the body of Christ come together, and bless one another. The faithfulness of Denae Snow and her family, brought blessings of comfort, a witness, and the knowledge of God's provision on His ministry in Tanzania. In addition, their support to **YNOP** in Montana is bringing about provision and blessings to many people in the Northeast and Western parts of Tanzania. Denae is absolutely right! We are never alone! Thank you, Denae and family for giving to the needs of Miracle, and her family.

"Yet I am never alone, for the Father is always with me." John 16:32
