

Dear Sponsors and Supporters,

June 2024

Form Six Graduation Party, 2024! There are 65 graduates with 14 of them in the Sakila Sponsorship Program. In addition, 3 of these students are from Christ Hope Orphanage (IEO). This year, we have one of the largest graduate classes from the sponsorship program. What a blessing! Another blessing is that Hebron Secondary School was able to use their brand-new multi-purpose building for the party. They have taken their national exams during the weeks of May 5th and 12th, and the results should be out around the beginning of June.

Many of you may not know this, but Form Six is very hard to complete, and not many make it this far. Students in Tanzania have countless obstacles in their paths. So, completing this level is a great achievement. If you see your student graduating in the list below, and would like to send them a message of congratulations, please send your letters or emails to the addresses on the bottom right of the newsletter. *"For with God nothing shall be impossible."* (Luke 1:37)
