Dear Sponsors and Supporters,

November 2010

Isn't it fun to give and know that your giving is doing so much good? You are giving a whole generation of young people the hope of a better future. As you read this we will have just arrived home from attending the graduation ceremony of the first class to complete the 7th grade at Sluys/Anderson **Primary School** in Sakila. We are expecting a lot from these students. They will now begin their studies at the Sakila Hebron **Secondary School** you are helping to fund. We never knew when we started the Sakila Sponsorship Program eight years ago that God would do such a big thing! There are only a few more that 600 of us supporting this work of over 660 children, the school and the staff. What is more, you make quilts, you knit hats, you build buildings, you send us school supplies, etc! Thank you so much! This photo of Gene with Lataieli is from our trip last year.

*Dear Sponsors,*

*I would like to thank you again for your wonderful gift to me. For the last few years I have had very bad vision in one of my eyes, and it has often caused me headaches. But about two months ago I visited a specialist who told me that I needed surgery to correct the eye. I knew I wouldn't have funds to get the evaluation, let alone the surgery. But because of you and your faithful giving it was possible for me to go in for evaluation, and soon after I was scheduled for surgery. It's been four weeks now since the surgery and I can see very, very clearly. I'm thankful to you for not only the finances, but also your prayers, which I believe has kept me very well as a teacher here at Sluys/Anderson. Thank you very much and I continue to pray that God will bless you very much always.*

We had no idea Lataieli was suffering from headaches and poor eyesight until Mama Jan George from Oregon tested all the teachers on her recent trip to Sakila. Because of your faithful giving we could authorize his surgery right away before he lost the sight in that eye. When a need like this presents itself, it's a joy for us to be able to say, "Yes, the sponsors and supporters have been so generous. Go right ahead, because we have the funds." We wish you could all meet together to share with one another how God has used you to help. Please mark Saturday, January 29th on your calendar for our annual dinner in Poulsbo, WA. Eliudi will be there to tell you the latest news and you will be able to share a meal and visit with your fellow supporters. Details will follow. November prayer days are the 2nd, 16th, and 30th — continued rain, more supporters and sponsors are the current needs. Welcome to those who have recently joined us.

By the way, we would like to remind you all of the importance of writing your return address on the envelopes containing your donations. If you live in the Everett area please be advised — this month we received an envelope that was open, *nothing inside*, mailed October 7th from the Everett, WA. Post Office.

Thanks for all you are doing! God's richest blessings on you all!

*...whatever you did for one of the least of these brothers of mine, you did for me. (Matt. 25:40)*
