Dear Sponsors and Supporters,

June 2014

We continually thank the Lord for your support. You have put your faith in what God is doing in Sakila among the children and their families. God has chosen to build a Primary and Secondary school there through your sacrificial giving. Your child, through your prayers and support, may be one who will simply learn to read and write. That alone is a great accomplishment. But, your child may also be one who goes on to become a doctor, businessman, or pilot — maybe even the president of the country of Tanzania! But, in any case, you will have made life considerably better than what he or she would have had without you. Thank you so much! One of our long-time sponsors recently wrote on her Facebook page:

*"I have been sponsoring a girl since 2006, and it has been an amazing experience! I have been able to meet her and her family, and I would not give up the opportunity to be a part of this program for anything! Check it out. [she tells her Facebook friends to...] Give me a call and ask questions. The investment is small but the rewards are HUGE. Thanks!"*

Here is another story of a little girl who started school in '06 whose sponsors live in California, as written by Patrick, Headmaster of the Primary School:

*"Glory Vaangael was born in 2000 she is in class V11. She lives far from her parents with a certain person who is a friend of theirs. Her parents have 8 children. Economically they are poor that they couldn't afford to send other children to Secondary School. Maybe Glory will be only one who expect to continue with Secondary School after accomplished class seven. Glory is hard working.*

*Among good students academically Glory is one. When we visited them her parents thanked all of us, manager, sponsors and teachers for good job we do and for basic needs, which their student get. They said Glory has been received several gifts since she was in kindergarten. Glory gets school uniform, every year some special gifts like clothes, shoes, food, storybooks including Bible store books and good education. They often pray for you all."*

The photo on the left was taken in 2005, just before Glory entered school. You can see from the photo on the right how she is growing into a beautiful young lady, full of promise. Pat and Sergio have faithfully sponsored her all that time. Maybe they'll get a chance to visit her someday.

Please continue to pray for the children and the schools. Here's praise to our Lord: Thirty of the children asked to be baptized last month! We are so thankful to the Lord that they can learn of God's love for them from their teachers and the staff! God bless each of you and thank you!!
