Dear Sponsors and Supporters,

July 2019

"This past fall I had the privilege to go along with a team to Sakila for the second time. Often, I have thought about things I saw and experienced, while spending time with the students in the primary and secondary schools. Happy and excited children greeted us, as we walked to the primary school. These children are truly filled with the love of God and shine with joy. The older students were considerate and kind to each other, and willing to talk and relate with us. They invited us into their classrooms and it was easy to see by looking at their class note books, they worked hard. Their penmanship was remarkable and each page was filled with learning. One day, we visited their dorms which are long buildings filled with bunks on both sides. They didn't know company was coming, but their beds were neatly made and the few things they owned were neatly put away. At the boy's dorm, it had been wash day and clean clothes hung over lines. Spotlessly cleaned shoes were set on long stakes, drying in the sun. We had countless opportunities to see and relate with these young people. They are blessed to have this opportunity to learn of God's great love for them, and to learn and prepare about God's plans for their lives. What a privilege it is to have the opportunity to sponsor one of these children.

The container of supplies for the school reached Sakila. Thank you for your prayers of safety.

We want to thank each and every one of you for patience and understanding with the transferring of students this year. We invest so much of our heart, prayers, and support into the children that we sponsor. We are so blessed to place each child into God's hands and trust in His plan for the lives that move on from the Sakila Sponsorship Program.

Happy 4th of July!!
