Dear Sponsors and Supporters,

October 2020

Upendo Heriel Akyoo

Upendo is 19 years old and she has just finished Form 6. Chemistry is her favorite subject and spaghetti is her favorite food. She has been boarding at the school, and would like to continue her education to become a Manager or work in the Tanzania Bureau of Standards (Industry and Commerce).

Here is a breakdown of Upendo's answers to the questions given her. She likes to sing at school (Gospel), and preach the Word of God. She believes that God's will is for her to be at this school, and she is not here on this earth by accident. God has changed her behavior from bad to good, and she has observed healing in others through God's name. Emmanuel Zablon (Graduate of Form 6 this year) is someone who has been an example to her and others. There are 7 members in her family. She chose to board at the school so that she could spend more time on her studies. Upendo likes to create stories with her free time, and read the Bible.

Special Note!
